

SOFTWARE DEVELOPMENT AND SERVICES AGREEMENT

Synthetic sample document — created solely for RAG testing and evaluation

Agreement ID: RAG-TEST-CONTRACT-2026-001

Effective Date: 1 October 2026

1. PARTIES

This Software Development and Services Agreement (the “Agreement”) is entered into by and between **Northstar Digital Solutions Pvt. Ltd.**, a fictional company with an office at 42 Innovation Park, Chennai, Tamil Nadu 600096 (“Client”), and **BluePeak Software Labs Pvt. Ltd.**, a fictional company with an office at 18 Tech Avenue, Bengaluru, Karnataka 560001 (“Service Provider”). The Client and Service Provider are collectively referred to as the “Parties.”

2. PURPOSE AND SCOPE

The Service Provider will design, develop, test, and deploy a web-based document intelligence platform for the Client. The platform will allow authorized users to upload documents, create searchable indexes, retrieve relevant passages, and generate answers using a retrieval-augmented generation (RAG) workflow.

The initial scope includes: (a) document upload; (b) PDF and DOCX text extraction; (c) document chunking; (d) vector embedding and indexing; (e) semantic retrieval; (f) answer generation; (g) source citation display; (h) user authentication; and (i) basic administrative reporting.

3. DELIVERABLES

No.	Deliverable	Target Date
1	Requirements and technical design document	10 Oct 2026
2	Document ingestion and parsing module	24 Oct 2026
3	Vector indexing and retrieval module	7 Nov 2026
4	RAG question-answering interface	21 Nov 2026
5	Testing report and deployment package	5 Dec 2026

4. FEES AND PAYMENT

The total project fee is **INR 8,40,000**, exclusive of applicable taxes. Payment will be made in four milestones: 20% upon project commencement, 30% upon delivery of the ingestion and indexing modules, 30% upon delivery of the RAG interface, and 20% upon final acceptance. Invoices are payable within **15 calendar days** of receipt.

5. PROJECT ACCEPTANCE

The Client will have 10 business days after delivery of each milestone to review the deliverable. A milestone will be considered accepted when the Client provides written approval or when the review period expires without a written rejection identifying material defects. The Service Provider will correct confirmed material defects within a commercially reasonable period at no additional development fee.

6. DATA AND DOCUMENTS

The Client retains ownership of all documents, records, prompts, and other materials supplied to the Service Provider. The Service Provider may process such materials only to perform the services under this Agreement. The Service Provider shall not sell, publish, or disclose Client documents to third parties except where required to

provide an agreed service or comply with law.

7. CONFIDENTIALITY

Each Party shall protect confidential information received from the other Party using reasonable safeguards and shall use such information only for purposes connected with this Agreement. Confidential information does not include information that is publicly available without breach, was already lawfully known, is independently developed without use of confidential information, or is lawfully obtained from a third party without a duty of confidentiality.

8. SECURITY

The Service Provider will implement reasonable technical and organizational safeguards appropriate to the service, including access controls, encrypted transmission, authenticated administrative access, and logging of significant security events. Production credentials must not be stored in source-code repositories.

9. INTELLECTUAL PROPERTY

Upon full payment of all amounts due, project-specific source code and documentation created specifically for the Client will be assigned to the Client, excluding pre-existing Service Provider tools, reusable libraries, open-source components, and general know-how. Third-party and open-source components remain subject to their respective licenses.

10. WARRANTIES AND LIMITATIONS

The Service Provider warrants that the services will be performed with reasonable skill and care. The Parties acknowledge that machine-generated answers may contain inaccuracies. The RAG system is intended to assist users in locating and interpreting information and is not a substitute for professional legal, financial, medical, or other regulated advice.

11. SUPPORT AND MAINTENANCE

For 60 days following final acceptance, the Service Provider will provide corrective maintenance for reproducible defects within the agreed scope. New features, major integrations, and changes to requirements will be handled under a separate change request.

12. TERMINATION

Either Party may terminate this Agreement for material breach if the breach is not cured within 15 days after written notice. Either Party may also terminate for insolvency or cessation of business. Upon termination, the Client will pay for accepted work and approved work performed up to the effective termination date.

13. LIABILITY

Except for fraud, willful misconduct, confidentiality breaches, or obligations that cannot legally be limited, each Party's aggregate liability arising from this Agreement will not exceed the total fees paid or payable under this Agreement during the 12 months preceding the event giving rise to the claim.

14. GOVERNING LAW AND DISPUTES

This Agreement will be governed by the laws of India. The Parties will first attempt to resolve disputes through good-faith negotiations. If a dispute cannot be resolved within 30 days, the courts located in Chennai, Tamil Nadu will have exclusive jurisdiction, subject to applicable law.

15. CHANGE CONTROL

Changes to scope, deliverables, dates, integrations, or acceptance criteria must be documented in a written change request approved by authorized representatives of both Parties. Approved changes may modify fees and delivery dates.

16. NOTICES

Formal notices under this Agreement must be delivered in writing to the addresses specified below, or to any replacement address notified in writing by a Party.
